OCT 30 2008

2771-515-CIP

Sir:

Enclosed is a Certificate of Correction submitted under the provisions of 35 U.S.C. §254, to correct errors of the Patent and Trademark Office in the printing of the above-identified U.S. Patent.

In addition to the errors of the Patent and Trademark Office, a review of the patent has revealed the presence of errors attributable to applicants/patentees, which however are of a minor and self-evident character, as listed below:

Page 2, References Cited, OTHER PUBLICATIONS, first entry: "Neil Hendrix Barry Arkles" should be -- Neil Hendrix, Barry Arkles --.

Column 9, line 65-66: "U.S. Pat. No. 5,204,134" should be -- U.S. Pat. No. 5,204,314 --.

Column 12, line 6: "iH" should be -- 1H --.

Although the foregoing errors attributable to the patentee are not of sufficiently serious nature to warrant filing of a Certificate of Correction, the patentee nevertheless wishes to bring same to the attention of the Patent and Trademark Office for identification of same in the prosecution record of the above-identified patent.

Respectfully submitted,

Steven J. Hultquist
